

Messe Düsseldorf GmbH organizes German participation within the framework of **NEFTEGAZ 2018**

From 16 to 19 April 2018 the Expocentre Fairgrounds will host the International Oil and Gas exhibition **NEFTEGAZ 2018**. This event is traditionally organized by Expocentre in cooperation with the German company Messe Düsseldorf GmbH, supported by the Ministry of Energy of the Russian Federation, Ministry of Industry and Trade of the Russian Federation under the patronage of the Chamber of Commerce and Industry of the Russian Federation. In 2018 the exhibition received the support of the German Valve Manufacturers Association (VDMA).

At **NEFTEGAZ 2018** Messe Düsseldorf GmbH organizes a German participation, consisting of 27 companies including such major players of the fuel and energy complex as JUMO, VEGA, KANEX KROHNE, WEIDMUELLER, KLOEPPER THERM, PAUL HORN. The exposition area will cover about 760 sqm.

In the context of the exhibition **NEFTEGAZ 2018** the framework program includes: technology conferences, foresight sessions, professional round table meetings and workshops where current trends in the oil and gas industry will be considered. A representative of the German company KANEX KROHNE will make a presentation within the framework of the National Oil and Gas Forum.

NEFTEGAZ 2018 is a landmark event for the fuel and energy sector. Visitors of the exhibition will have a unique opportunity to get acquainted with the promising technologies, optimized solutions and new directions of activities.
